

# SSPC - New 25 Metre Competition Scoresheet and Participation Record

We have updated the way in which scores and participations are going to be recorded for the 25 metre SSPC comps (Sports Pistol, Classic Pistol and Centrefire). Your participation and score will now be recorded on the same sheet. This sheet replaces both the old score sheet and sign-on sheet for these club competitions. This change is being made in order to make scoring and recording participations much easier and quicker for us.

### Name and Details

Same as on the old sign-on sheets. Please make sure you include the handgun serial number even if you are using a club gun!

### Competition Type

Tick the type of comp which you will be participating in. Note the applicable handgun class for each type of comp.

### Handgun Class

Tick appropriate class for the handgun you are using.
